## PARTNERS IN PRAYER

"We think of prayer as a preparation for work, or a calm after having done work, whereas prayer is the essential work."

- Oswald Chambers

This week please pray for;

- Pray for Donna Wilson from Yuendumu who had a little stillborn baby boy on Tuesday 18th July. Pray for the three young daughters who are very sad and husband Jasper.
- Pray for teachers and students as they return to school for the second half of the year. Pray for energy and strength for the teachers and commitment and encouragement for the students.
- Continue to pray for Mandala and Busi and girls as they grieve the loss of Khosi
- Praise God for the ministry of Steve Grace as he serves the people of the Outback.
- Pray for Trent who ministers alongside Steve that the Lord will direct him and his new wife as they seek the Lord for the future.

## Prayer Walking

Every Sunday during August @ 3.00pm we will be prayer walking as a church. Going in groups of 2-3, we will pray intercessory prayers in the area in which we walk. The idea is to...

**"pray on site with insight."**

It is about recognizing that God can speak to us in the actual zone where we want to see his kingdom come forth. Alice Springs has a number of social issues and of course there are many people whom we would love to see come to Christ. By *praying on site with insight* we invite the Holy Spirit to be at work right where we are. Gradually as we return week after week to the same area we can trust God to deepen our prayers and our passion to see his kingdom come. Be bold, step out and explore the land the Lord has given us to take.
